

Health Educator-Chronic Disease

Status: Full-time, Contract with benefits

Pay Rate: \$18.00-\$20.00/hour based on experience

Reports to: Chronic Disease Prevention Manager

Primary duties include, but are not limited to:

- Coordinate with community partners across the district to address health promotion, disease prevention, and strategies to improve knowledge of healthy behaviors
- Develop and/or support local and community programs that directly address behaviors that affect health and wellness
- Seek potential program funding opportunities and ensure current grant deliverables are fulfilled
- Establish and/or actively participate in partnerships and/or coalitions to address issues related to public health
- Promote health and wellness through various communication methods including newsletters, websites, and social media
- Serve as a liaison to community partners and develop relationships to support public health goals
- Engage with local elected officials and the community on the potential public health impacts from current and/or proposed policies
- Participate in the completion of a local community health assessment and implement strategies from the resulting health improvement plan

Education:

Graduate of a college or university with a bachelor's degree—must have one year of health-related experience.

To Apply:

Please complete an online contract application by 4:30 pm April 30, 2023. Selection will be made by interview(s), and/or review of submitted documentation. Criminal background, licensure check, and drug screening will be required. Failure to meet any of the selection criteria shall disqualify an applicant.
